Sanderson High School Band

5500 Dixon Drive
Raleigh, NC 27609

Summer 2011

Dear Business Community Leader:

Greetings from the Sanderson High School Marching Spartans! We are writing you because we recognize the important role you have as a business leader in our community. Your business contributes significantly to the vitality that our community needs to continue to thrive and be vibrant. Your place in our community becomes even more important during challenging economic times and so we are grateful for your presence.

For our part, the SHS Marching Spartans also play an important role through our involvement in the development of students in our community. We do so as we strive to instill discipline and challenge young people to strive for excellence through the arts as we participate in marching competitions throughout, and even outside, the state. And we have seen the results of the Marching Spartans' commitment to excellence, as the band has won in these competitions year after year. Last year alone, the band won several first-place awards in their class for their performance as well as several awards for having the most outstanding Drum Major.

We wish to continue this tradition of excellence and we hope you will agree with us that this is a worthy undertaking. It takes hard work, dedication, and major time commitment from the students, the band director, and assistants to the band director, to have the outstanding organization and honors achieved by the Marching Spartans. It also takes a tremendous amount of support and time from band parents. Most importantly, it takes money to have a superior music program. Although the Sanderson High School Music Department plays a very important role in helping shape well-rounded students, our Marching Spartans are self-funded by volunteers comprising the SHS Band Boosters.

The Spartan Band Members need and would like to ask for your support for the needs associated with their activities which include performances, competitions, instrument repairs, uniform upkeep, music, equipment, travel expenses to competitions, and upkeep of our 12 year old band truck that is used to transport the equipment and props to games and competitions. Please consider being a Spartan Band Sponsor. As a sponsor, your company will help this band program realize its goals. With your support, we will continue this tradition of excellence and ensure that the young people within our community can continue to be a part of this high-quality educational experience.

We hope you choose to support these future community leaders as they participate in the Sanderson Band Programs. The Band Boosters are a 501c(3) non-profit organization and your sponsorship gift is tax deductible. In addition – the Band Boosters are an ALL VOLUNTEER organization – 100% of your contribution goes to support Sanderson Band students. Any support you can provide will be deeply appreciated by each and every band member.

Sincerely,

Mary Weaver/Levi Regalado

Sanderson Band Booster Representatives

EXPO 2011 Chairpersons

By supporting the Sanderson Band, you are helping us continue to improve our program, provide a better educational experience for our students, and leave them with memories that will last a lifetime.
